County Municipal Committee

Remuneration Increased For Road Widening Land

At the regular March meeting of the municipal committee of the County of Vulcan, discussion was held on the amount of remuneration to be paid land owners for land taken for road widening. It was noted that the present policy is to pay three times the assessed value and that this amount was quite inadequate in all cases.

Authorization was given the secretary-treasurer to increase the amount paid for such land to five times the assessed value.

A letter from the Alberta Association of Municipal Districts, in respect to tire and tube price increases was read for the information of the committee.

A letter from the Goodyear Tire & Rubber Co. Ltd., asking for an interview with the committee in respect to tire sales, was read. Instructions were given to the secretary-treasurer to reply to the letter stating that the county had already made arrangements for tire requirements for this year.

A petition from a number of residents in the Armada area, in respect to the condition of van routes, was read. This matter was taken under advisement and turned over to Mr. McAlister, councillor for the area, for his investigation and inclusion on next year's program if it was desirable that the road be improved as requested in the petition.

It was moved and carried that the county purchase 8,000 feet of half-inch scraper cable in 500 foot rolls at 22c per foot, from Ferguson Supply Ltd.

Clarence Hythe, who lives east of Carmangay, interviewed the council in respect to road improvement on his land. This matter was discussed with Mr. Hubka and Mr. Haga advised Mr. Hythe that the county would investigate the work to be done and advise him as to the amount this road improvement would cost him.

It was moved and carried that the following road surveys be approved:

South of Sections 25, 26, 27 and 28-20-24-4 and South of Sections 29 and 30-20-23-4;

Lomond Road from S.E. 2-17-21-4 to S.E. 19-16-21-4;

In S.W. 13-20-20-4 road diversion;

Pt. S.E. 20-18-26-4 two acres for borrow pit.

It was moved and carried that Texas Gate sites as listed be approved and that instructions be given to place signs in accordance with instructions from the insurance company.

South side of river at Little Bow Park—3 Texas gates, 6 gate signs, 3 Cattle-at-Large signs;

West side of Travers Dam—4 Texas gate signs;

North side of Travers Dam—6 Texas gate signs, 4 Cattle-at-Large signs;

South of Bow City Bridge—6 Texas gate signs, 5 Cattle-at-Large signs;

East of Milo—Leonard Voys' Road, 1 Texas gate sign, 1 Cattle at Large sign;

East of Majorville Store—4 Texas gate signs, 3 Cattle-at-Large signs;

Robert Scott and J. Dew Road N.E. of Majorville Store—10 Texas gate signs, 8 Cattle-at-Large signs.

Total—37 Texas gate signs and 23 Cattle-at-Large signs.

It was moved and carried that Alberta Government Telephone and Farm Electric Services map showing road improvements be approved.

Authorization was given to doze out trees between Sections 11 and 14-17-26-4 as requested by H. W. Bride and that Mr. Bride be required to pay 50% of the cost.

Flu Hits "Belle Of Bagdad" Cast

The current 'flu epidemic has forced the indefinite postponement of the comic operetta "Belle of Bagdad" which was to be presented at the CCHS auditorium this week by members of the Students Union.

Key members of the cast are ill and although it is hoped the operetta may be staged later this spring circumstances make it impossible to set a definite date.

In view of this uncertainty, arrangements have been made to refund the cost of tickets already purchased. Ticket holders may present their tickets at the high school for a full refund.

Auxiliary Changes Bingo Program

The Ladies Auxiliary to the Canadian Legion met March 16, with 10 members and two visitors present. President Sarah Marsh named committees to convene the two bridal showers to be held this month. Also a committee was named to run the bingo to be held at the Peter Dawson Lodge, March 30.

Because of poor attendance at the Saturday night bingos, a long discussion was held as to what could be done to remedy this. It was decided to change them to 15 cash games and one "T" bingo with a chance to win a \$50 jackpot.

A donation was sent to the Vulcan Legion curlers while in Kamloops.

At the close of the meeting the draw was made for the child's picnic table, the winner being Mrs. Mary Wylie.

36-Bed Nursing Home Officially Opens

Over 300 visitors from the communities served by the new Blunt's Nursing Home attended its opening Saturday afternoon, April 2, when Mayor Ness of Vulcan cut the ribbon in the brief official ceremony.

Above is a view of the attractive home which will be further enhanced when the trees, shrubs and general landscaping is complete. Inside, the appearance more resembles a resort lodge than a hospital in many ways, especially in the public area where a wide

spacious entrance is walled in dark brown rustic wood finish which leads to a large, comfortably appointed, lounge complete with wall-to-wall broadloom and full view window. To the other side of the entrance is a bright, triangular shaped dining room, also with full window space along one wall. The admittance desk is situated at the head of two corridors which run the length of the hospital part of the building. Accommodation ranges from private to large rooms containing four beds and

sharing bathrooms with adjacent four-bed units.

Matron Mrs. Rhoda Minty and her staff of seven were on hand escorting guests through the home and serving lunch prepared by the kitchen staff of the home. Also present were representatives of the Vulcan-Foothills Nursing Home Board from High River, Okotoks, the Municipal District of Foothills and the County and Town of Vulcan.

The first patients were admitted the following Monday.

3 Winners Get Plaques

14 Entrants Compete In Public Speaking Contest

Friday, April 1, the Vulcan District 4-H Public Speaking Competition was held in the auditorium of the Hazel Cameron School, sponsored by the Department of Agriculture and the Vulcan and District Chamber of Commerce.

The 14 young people representing the 4-H Clubs of the County against trying to get too much information into the time allowed. "A brief introduction, two or three supporting points and a conclusion are about all you can get into one minute," he said.

On behalf of the Chamber of Commerce, Mr. Houlton presented plaques to the winners, Merle Wyatt of the Arrowwood Beef Club, Brenda Williams also of Arrowwood and Jane Sinclair of the Berrywater Beef Club.

During the evening while the judges were making their decision, the group was entertained by the young speakers, as each gave a five-minute prepared speech and a one-minute impromptu speech.

The judges, Don Freed of Medicine Hat, Jack Yorgason of Claresholm and Frank Wythe of Vulcan, had a difficult task to choose three winners.

Mr. Freed told the competitors that in public speaking the main purpose was to pass on information and give entertainment. In order to do this the speaker should choose a subject that is not too broad and should know his subject. He should radiate his enthusiasm. Humor always helps.

Mr. Yorgason, in commenting on the impromptu speeches, warned against trying to get too much information into the time allowed. "A brief introduction, two or three supporting points and a conclusion are about all you can get into one minute," he said.

On behalf of the Chamber of Commerce, Mr. Houlton presented plaques to the winners, Merle Wyatt of the Arrowwood Beef Club, Brenda Williams also of Arrowwood and Jane Sinclair of the Berrywater Beef Club.

George Hartungs Observe 25th Anniversary

An Open House honoring Mr. and Mrs. George Hartung, on the occasion of their 25th wedding anniversary, was held Sunday, March 27, at the home of Mr. and Mrs. Dave Schierman. A come and go tea was served and guests called from many points, among them the parents of Mrs. Hartung, Mr. and Mrs. George Schierman of Calgary. Also present were all of the brothers and sisters and their families. Other relatives too were present. A decorated wedding cake centered the buffet and was flanked by bouquets of flowers.

One Friday the congregation of the E.U.B. church honored Mr. and Mrs. Hartung, at a social evening, held in the church basement. Mrs. Helen Schierman, on behalf of the WWSW, presented the honored couple with a lovely silver dish and expressed the good wishes of all. Rev. Heebner was chairman of a short program at which time the good wishes of all were presented in various forms.

In this modern age men who die with their boots on usually have one of them on the accelerator.

11 Locals Represented At Conference

The FWUA District 12 Conference was held in Masonic Hall, Okotoks, beginning at 10:00 a.m., March 30, with 41 members representing 11 locals present. In the absence of the Mayor of Okotoks, the address of welcome was given by Rev. R. J. Johnson, Anglican Church, Okotoks, who also conducted morning thoughts on the many changes that have come about in the recent past in all fields, ending with a prayer that God may teach all to use their talents wisely and well.

There were two featured speakers, Rev. Bill Knights, representing United Concern, who spoke on Rising Cost of Foods; and Mrs. M. H. Ward, Arrowwood, who spoke about ACWW, and presented slides on Ireland.

Rev. Knights said he was not

convinced that farmers were the villain in the spiraling cost of food stuffs that began October 1965. He suggested that people should endeavor to act like responsible citizens, and not dramatize the situation. He said it was the low fixed income groups that suffered most. Rev. Knights believes farms are not fully utilized today, and he asked why? For example, why import garden produce when it can be grown here? Rev. Knights feels there are too many monopolies, and a form of investigation is needed to prevent a growing bitterness in society. He suggested the government needs to appoint a Dept. of Consumer Affairs.

In her address, Mrs. Ward referred to the Associated Country Women of the World as a great organization, to promote and main-

tain friendly and helpful relations between women's organizations of all nations; to give any possible help in their development in the economic, social and cultural sphere; to do everything possible, both by study and action, to further friendship and understanding, toward a more united world. She mentioned that Federated Women's Institutes of Canada was one of the first constituent societies, having joined in 1930, and that AWI joined in 1933, and the FWUA joined in 1952.

Mrs. Ward mentioned the Lady Aberdeen Scholarship, a fund begun in 1959 as a memorial to Lady Aberdeen, one of the founders of ACWW, for training women in Home Economics, Nutrition and Rural Community Welfare, financed by voluntary contributions from

constituent societies, individuals, and ACWW funds when available. The ACWW now has almost seven million members in 160 societies, representing 49 countries, but membership subscriptions do not provide sufficient funds to cover the ever-increasing international work and a voluntary fund of Pennies for Friendship gives every individual member an opportunity to aid financing the central office. Mrs. Roy Henderson, High River; Mrs. C. L. Alexander, Cayley, AWI vice-president and Mrs. Mary Brockway, Cayley, each added some comment on ACWW, the Irish hospitality, and the beauty of Ireland, after Mrs. Ward presented her slides. The next ACWW conference will be held in the University of Lansing, Mich. (Continued On Page 7)

who is liable for municipal taxes levied in any year:
(a) upon the assessed value of the eligible residence, or
(b) upon the land upon which the eligible residence is situated, where the eligible residence is a farm building exempt from assessment,

is entitled to a reduction of his liability for those municipal taxes in the amount hereinafter specified as the Provincial tax discount. The amount of the Provincial tax discount is as follows:

(a) where the amount of the municipal taxes levied on an owner for any year is \$51 or more, the discount is \$50 for that year;
(b) where the amount of the municipal taxes levied on an owner for any year is less than \$51, the discount for that year is the amount derived by subtracting one dollar from the amount of the municipal taxes for that year.

The amount by which the liability for municipal taxes of the owner of an eligible residence is reduced in any year is payable by the Province to the municipality

levying those taxes.

FARM PURCHASE CREDIT

This Act will be amended so that a loan from the fund for any single purchase of farm lands may not exceed \$24,000 and also the Board now may not grant assistance where the value of the land to be purchased together with the value of the land already owned

by the applicant is in the opinion of the Board in excess of \$50,000. Previously the total amount was \$40,000.

It is hoped that these two amendments will make it more possible for the farmer to-day to use the Farm Purchase Credit facilities to make his farm unit an economic unit.

THE SCHOOL ACT

Section 398 is being amended which will increase the compulsory age to 16 from 15. Although with this change a new clause is added

to allow for a set of circumstances of instruction is offered in its under which a child will be excused from attending school at age 15, may leave school. The new section says that "the This new change has been re-board, after receiving the recommendation of the superintendent or province as one factor which may inspector of schools, is of the help to keep our young people in opinion that "no suitable program school.

11 Locals Represented at Conference

(Continued From Front Page)

The "flu bug" had done his worst, as only seven locals gave secretary reports of the year's activities, covering donations to charities, teas, sponsoring DHE demonstrations, delegates to convention, scholarships and educational funds, etc. All had one problem — attendance. Three of four sub-district directors were present to give reports covering attendance at leadership courses; youth activities; a need for more information about County Teams; etc.

Mrs. Mae Huddleston, Pincher Creek, FWUA 2nd vice-president, and co-chairman with Mrs. Lola Lange, Claresholm, incoming Director of District 12; reported on what had been accomplished with 1965 resolutions; the planned 1966 FUA budget, and literature of importance now in the hands of local secretaries. Mrs. Huddleston closed her remarks by saying: "Examine your organization. Does it need changes to fit today? Can we work

closer with the men, with Women's Institutes, and others? Attend joint meetings. Remember no organization can operate successfully by "top brass" only." Mrs. Betty Brower, Pincher Creek, conference secretary for the past five years, was presented with a gift on her retirement from office; and Mrs. Molly Price was elected by acclamation to succeed her for 1967.

Four resolutions were presented by the resolution committee, chaired by Mrs. Rod MacKillop; and carried. (1) that boys under 18 brought up for trial should be before family courts, and only boys over 18 be referred to adult courts. (2) that income tax exemptions be based on \$2000 for single persons; \$4000 for married couples, and \$500 for each dependent child. (3) that opposition to the Canada Pension Plan as it affects farmers be expressed. (4) that the Federal Government be requested to establish a Dept. of Consumer Affairs, to investigate rising prices and how to exercise controls.

mansky, sales manager from the Winnipeg head office who flew in for the day and Joe Tippman, of Stettler, Alberta representative on the board of directors. Behind the group are three sizes of Deutz tractors, imported by the company from West Germany. Also shown for the first time to Vulcan viewers was the new combine made by Klass of West Germany, largest combine manufacturers in the world who turned out 27,000 machines last year. This 100 per-

cent farmer owned company opened the Vulcan outlet last fall on two acres of land with a 34'x80' cinder block building, and covers a territory north to the Bow River, west to the mountains, south to Carmangay and east to the other side of Lake McGregor. Business is described as most satisfactory during the first six months of operation and a normal turnover of \$300,000 to \$400,000 per year is anticipated.

The new CCIL building which houses the office and workshop of the implement business, is shown above. Located on a lot containing two acres, the building is surrounded by parking area and open land on which is displayed a full line of farm machinery. There are 58 CCIL dealers in Western Canada and 20 in Alberta.

Will Celebrate 36th Anniversary

The Bethel Lutheran Guild met at the home of Mrs. Howard Hagg at Champion March 29. Rev. R. Matejka gave the devotional and Bible study lesson.

After an interesting discussion it was decided to celebrate the 36th anniversary of Bethel Lutheran church sometime in June, and invite any former members who can be contacted.

The clothing drive is progressing.

Election of officers took place and the following slate returned: Mrs. Tom Brothers, president, was elected by acclamation, as were Mrs. Eric Brown, treasurer and Mrs. Ervin Brown, secretary.

The meeting closed with the Lord's Prayer, after which a bake-sale was held among the members.

A delicious lunch was served by Mrs. Hagg to conclude the afternoon's program.

The secretary read applications for the position of janitor of the Lomond School from the following: D. E. Decker, N. de Jong, C. Van Metteren, Glenn W. Deglow, Stan Tiffin, J. C. Gillespie, Henry J. Thiessen.

4-H Club Notes

Mossleigh 4-H

Clothing and Beef Clubs—

Monday, March 28, the Mossleigh 4-H Clothing and Beef Clubs held their public speaking eliminations in the hall. Joyce Hagedorn acted as chairman for the evening.

Judges for the competition were Miss M. Beard, Mrs. A. Neilson and Duane Binning. In making his comments, Mr. Binning praised all the competitors for the quality of the speeches and for the evidence of research. He gave several points of constructive criticism and announced the winners. These were: from the Clothing Club, Kay Hagedorn and Sandra Christie with Connie Dawson as alternate, and from the Beef Club, Ken Weber and Lois Washburn with Francis

Van Bussel as alternate.

During the period while the judges were compiling their reports, Don Green showed slides of his trip to Churchill, Man. with the exchange students. These pictures were excellent and were much enjoyed by all.

Coffee and sandwiches were served by the mothers of the club members.

Arrowwood 4-H Club—

The Arrowwood 4-H Beef Club Saturday, March 19 spent the day at Hurley Williams' home learning the proper way to name and judge the various parts of a beef animal. The club will also be taking in a judging competition at the farm of Billie Boldue on March 26.

Dogs were about the only animal that the Indians domesticated. They kept no chickens, ducks, geese or cats. They saw their first horses when the Spanish invaders came.

One item of entertainment which drew laughs at the Vulcan and District Fish and Game Sportsmen's Night, Friday, March 25 was the skit by three and two-tenths

actors shown above. The idea was that Dan McNiven and Blaine Middleton, on either side of Frank Jepps were students in a hunter-training lecture. In his puppet

form about the only flesh that belong to Frank are the head and hands (which became feet in this case). The actual hands are the other two-tenths, belonging to Jerry Steiner behind the curtain. Placing Jerry in such a position of trust is like waving a red hunting jacket in front of a bull moose and before it was over Frank had been well exploited by the antics of these troublesome foreign hands.

A pretty wedding was solemnized February 19, 1966 when Maureen Margaret Gallagher, daughter of Mr. and Mrs. Patrick M. Gallagher of Brant, Alberta was united in marriage with Thomas Arthur Boucher, son of Mr. and Mrs. Robert A. Boucher of Red Deer, Alberta.

The ceremony was held in the Sacred Heart Church, Brant with the uncle of the bride, Rev. T. J. Gallagher, of Kitchener, Ont. officiating, assisted by Rev. P. Cramer of High River.

The bride, who was given away by her father, was radiant in a floor length gown of white lace over taffeta, with long sleeves, round neckline dipping to a vee in the back. It featured a bell skirt with fullness at the back gathering into a train effect. A tiered veil of illusion net fell softly from a pretty flowered headpiece. She carried white missal topped with red roses and cascading ribbons.

The bridal attendants included Anne Marie Gallagher, sister of the bride, Beverly Thorp of Kitimat, B.C. and Colleen Auld of Brant. They wore identical floor length gowns of Nile green organza over taffeta with empire waistlines and lace bodices and matching flower and net headpieces. Their bouquets were of bronze baby mums.

The groom was attended by best man Richard Earl of Calgary. The ushers were Edward A. Gallagher, Brant, brother of the bride and James Boucher, Red Deer, brother of the groom. Mrs. G. Foster of Vulcan was the organist with John Van Brunshot as soloist rendering On This Day O Beautiful Mother during the signing of the register. The church was beautifully decorated with baskets of bronze mums.

The bride's mother was attired in an ivory brocade jacket dress in princess lines, a gold satin hat and black accessories. Her corsage was of tallman roses. The groom's mother wore a jade green knit suit with fur trim and white accessories with a yellow rose corsage.

A reception for 100 guests followed the ceremony. The bride's table was centered by a beautiful three-tiered wedding cake with tall pink tapers. Walter Jackson, Calgary, the bride's cousin acted as master of ceremonies. The toast to the bride and groom was made by Rev. T. J. Gallagher and the groom fittingly replied. Richard Earl, best man proposed the toast to the bridesmaids. Danny Gallagher, brother of the bride, was in charge of the guest book. J. R. EVERY CHILD SHOULD HAVE GOOD TEETH

It is a mistaken notion that "Baby" teeth do not need care just because the body replaces them with "permanent" teeth. Imperfect "Baby" teeth often cause many later-life dental problems.

Every child should be taken to a dentist at about two and a half years to three years of age. By then all the "Baby" teeth will be in. The dentist will check for minute signs of decay, or any malformations which can cause later troubles. Dental patients under four years old have an average of three teeth that need fillings. If dental-aids are needed, whether it be a child's toothbrush or a good tasting effective tooth paste, we have a complete stock.

CLERICS' CORNER

This week's contributor: Rev. Victor G. Cowell
St. Aldhelm's Anglican Church

Easter is a time of triumph. If you read your scriptures carefully, you will be impressed by the unwavering purposeful "Christ" who dominates the scene during the eventful week which culminates with His crucifixion on the Friday and is followed by His resurrection on the following Sunday — Easter Sunday.

First, He has raised Lazarus — who has been dead for four days; to life. On Palm Sunday men and the very creation seem to raise a symphony of praise as "our Lord" rides into Jerusalem — to do what God sent Him to do. On the Friday after battling with all the powers that evil can possibly muster against Him — He wins — by giving Himself so completely and obediently on the cross.

All men and women who look to this event and accept what God has done are now washed from their sins and are born into a new life with God. On Easter Sunday God raises Jesus from the dead and shows us once and for all that

Couple Married At Milo United Church

The Milo United Church was the scene of a lovely spring wedding when Carolyn Joan only daughter of Mr. and Mrs. John M. Papp exchanged vows with Lyle Gordon youngest son of Mr. and Mrs. Hugh Winch of Majorville, Alta. in a double ring ceremony performed by Rev. W. Dormer of Vulcan.

The altar of the church was decorated with bouquets of pink carnations and roses with white cysanthemums.

The bride was escorted down the aisle by her father, who gave her in marriage. She wore a white organza over taffeta floor length gown, which featured lily-point sleeves and a bouffant skirt draped and accented with self-material roses. Trimming the neckline and front panels were inserts of pearl and crystalline ornamented Gulpure lace. Her veil of illusion net was held in place by a tiara of organza roses and pearls, and she carried a cascade bouquet of red roses.

Attending the bride as maid-of-honor was Diane Gooch who wore a floor-length gown of delphinium

blue with lace bodice and bouffant skirt, with a coronet of matching blue flowers on her hair, and white accessories. She carried a bouquet of pink and white carnations and roses.

Reta Monner as flower girl was attired in a short dress of nylon organza featuring a white bodice and full blue skirt trimmed with blue organza roses, a dainty blue head-piece and white gloves completed her costume. She carried a blue and gold basket of pink and white carnations and rosebuds. Alvin Winch, brother of the groom was best man, and the bride's brother John S. Papp and Robert Scott acted as ushers. Mrs. Leonard Northcott provided the organ music. Prior to the wedding ceremony, soloist Sandra Oldfield sang The Wedding Prayer, and during the signing of the register, Because.

The reception followed at the Milo Hall with Debra Gooch and Gwen Monner in charge of the guest book.

Irvine Sukut capably fulfilled the duties of master of ceremonies. A beautiful three-tiered wedding cake decorated by the groom's sister, Mrs. Bruce Henry graced the bride's table.

Everitt Winkler of Dalemead, a life-time friend of the bride, pro-

posed the toast to the bride and Alvin Winch proposed the toast to the bride's attendants. Telegrams of congratulations were read from friends in Mexico and Halifax. The four sisters of the groom, Mrs. Gordon Boyd, Mrs. Melvin Beagle, Mrs. Calvin Seabeck and Mrs. Bruce Henry sang two beautiful selections.

For the occasion the bride's mother chose a blue lace dress with three-quarter length matching coat and matching accessories and wore a corsage of red roses.

The groom's mother selected a turquoise wool crepe with white accessories. She wore a corsage of white roses.

A wedding dance followed with a capacity crowd attending.

The young couple will reside in Calgary.

Among those attending the wedding was the bride's aunt, Mrs. Murray Van Camp and son Douglas of Vancouver, B.C. and her cousin Pamela Weidmaier of Port Orchard, Washington. Also the bride's maternal grandmother, Mrs. Viola E. Williams of Gleichen and her paternal grandparents, Mr. and Mrs. John Papp, Sr., of Cluny. Other guests attended from Calgary, Dalemead, Innisfail, High River, Edmonton, Pincher Creek, Gleichen and Cluny.

Given in marriage by her father, the bride wore a floor-length gown of white satin brocade, with lily-point sleeves. The bouffant skirt was caught at the sides with two self rosettes. Her chapel veil was held in place by a coronet of simulated pearls and rhinestones. Her law of the bride, proposed the toast to the bride, to which the groom ably responded. Murray Ohlheiser of Champion very ably acted as Master of Ceremonies.

Following a wedding dance Saturday evening in the Champion Community Hall, the happy couple motored to Las Vegas, Nevada, for a short honeymoon. They now reside on a farm east of Champion.

A reception was held at the El Rancho Motor Hotel for the immediate family and a few friends. The table was centered with a three-tiered wedding cake, flanked by tall candles. Gary Mahoney of Lethbridge, brother-in-law of the groom, asked the blessing, and Jim Howe of High River, brother-in-law of the bride, proposed the toast to the bride, to which the groom ably responded.
